RFP#050107-Leased Vehicles**

Question #1

Can the vendor submit pricing for both the vehicle stated and an “appendix” that shows another vehicle that is equal to the first vehicle in size but has difference pricing

Answer:

The vendor may submit a quote for the specified vehicle and may also submit a quote for only one “or equal” vehicle. The court will accept quotes on no more than 46 vehicles. If quoting an “or equal” vehicle, please copy the vehicle sheet provided for that specific vehicle and indicate at the top (“or equal”).
